## **COVER TITLE**

---

### **Changing times: Who will survive?**

- Migration: Commissioner Dimitris Avramopoulos explains the challenges on migration crisis and the EU policies to help Greek authorities
- Current crisis: Costas Gavras stresses the need to overturn the negative picture of the wider public opinion on Greece
  
- Technology: Professor Christos Zerefos explains his method of measuring climate changes through art and insists on clear energy technology
  
- Art: Playwright Alexi Kaye Campbell talks about “Villa Thalia” and hopes that the present sufferings will have a happy ending
  
- Analysis:  
**Tassos Giannitsis** and **Stavros Zografakis** on present economic and social collapse  
**Gikas Hardouvelis** and **Ioannis Gkionis** on Greece-Cyprus experience in crisis
